

BRAND: STEM Idaho (instead of STEM AC or ISAC)

MISSION:

- To promote STEM throughout Idaho in education, industry, business and government.
- STEM Idaho - Connecting industry, education and government to ensure Idaho's economic prosperity.
- To provide Idaho students with opportunities to pursue STEM from pre-kindergarten through career by partnering with education, industry and government to ensure Idaho's economic prosperity.
- To promote excellence in STEM education through connections with industry, business, and government to ensure Idaho's long-term economic prosperity.

The Utah STEM Action Center Mission is: The STEM Action Center is Utah's leader in promoting science, technology, engineering and mathematics through best practices in education to ensure connection with industry and Utah's long-term economic prosperity.

VISION: Is this needed?

Our vision is a world of STEM.

The state of STEM.

Idaho – the STEM state.

To create a state of STEM innovators.
